Forensic Services

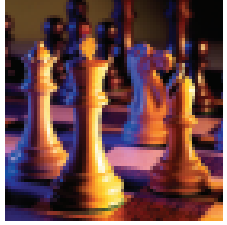

BERKOWITZ DICK POLLACK & BRANT
CERTIFIED PUBLIC ACCOUNTANTS & CONSULTANTS, LLP

Berkowitz Dick Pollack & Brant forensic services group assists attorneys in the development and presentation of complex litigation cases. The group's combined business and technical skills enable them to manage and analyze significant amounts of data in preparation for expert testimony in court and alternative dispute resolution venues. Our team of professionals has a broad range of experience in investigative accounting and auditing, finance and business valuation, taxation, technology, damage assessment and bankruptcy/reorganization.

Our forensic consultants understand your clients' industries and the pertinent issues in each case. We serve attorneys throughout all phases of litigation, from discovery management, to assessment of liability and damage claim preparation, to expert testimony. During the discovery phase, we have been instrumental in assisting attorneys develop damage concepts, identify and obtain important documentation and prepare for depositions. Our perspectives on industry issues and business relationships will enable you to better evaluate and understand your clients' cases and probe your adversary's positions and assumptions.

Our forensic services include:

- arbitration and mediation services
- bankruptcy services for debtors, creditors and trustees
- contract disputes
- discovery management
- expert witness testimony
- forensic/investigative auditing
- insurance investigations
- lost profits and economic damage assessment
- matrimonial disputes
- post acquisition disputes
- securities litigation
- shareholder lawsuits
- wrongful termination and discrimination disputes
